

THE NEW GENERATION OF LUXURY

The Bodrum EDITION is located just 3 kilometers from Yalikavak Marina at the western point of the Bodrum peninsula. The hotel features 108 guest rooms, suites and villas, most with views of the Aegean Sea — some with private pools, balconies and gardens.

The hotel's design includes an Infinity pool, garden lounge, state-of-the-art spa facilities with Turkish Hammam and fitness center, and an exclusive beach club with jetty that houses private cabanas. Unique food and beverage outlets include 2 bars, gourmet restaurants overlooking the bay, night club, and an all-day casual dining venue. The hotel also has over 12,900 sq. ft. / 1200 sq. m. of indoor/outdoor meeting and event space including meeting studios, a ballroom, and boardroom.

The brand's enhanced approach to high-end travel will inform the hotel's extraordinary service which offers all the personalized attention one might want in a luxury hotel, but in a friendly, unpretentious, and current manner, with superb training and efficiency, without the gold epaulettes.

In the magical sanctuary of Bodrum, the jewel of the Turquoise Coast, The Bodrum EDITION is a secret village of paradise, a portal to a separate, more relaxed reality.
